**FOURTH OF JULY CELEBRATION IN IRVINGTON**

**Mathews Boat Wins Cup.**

The "Calypso" Dr. Hoskins fast launch left East River on Friday evening to attend the races at Irvington on Saturday. The Journal man and Dr. Hoskins constituted the entire crew.

The first feature on the days entertainment on Saturday was a base ball game between the Irvington team and the Tappahanock team which was won by Irvington by a score of 3 to 2. It was a pretty game and attended by a majority of the large crowd who had come to town to enjoy the celebration.

After dinner a heavy shower interrupted the program for awhile but was soon over, and large crowds on the steamer Maury and gasoline boats left the town to see the boat race. The race was very close and interesting throughout. The two contestants, the "Mary" owned by Mr. Simmons, of Irvington, and the "Calypso" owned by Dr. Hoskins of Mathews, were evenly matched and the race a hard fought one. The "Calypso" won by a margin of 32 seconds making the race course which was considered about ten miles in 45 minutes and 38 seconds, and incidentally bringing to Mathews the cup which has been in the possession of Mr. Simmons for the last two years.

The afternoon game between the same teams was cut short after the fourth inning on account of the kicking on both sides on decisions of the umpire. When the players left the field Tappahanock was ahead.

A play, "The Carnival of Nations," in the town hall that night rendered by local talent constituted a suitable conclusion for a most delightful day. It was well rendered and enthusiastically received by the large audience which packed the building to its utmost capacity.

**MATHEWS COUNTY.**

**DIGGS.**

Mr. Lucius Walden came home several days ago.

Capt. W. B. Diggs and Melvin Diggs came home Sunday.

The picnic on the beach Monday night was much enjoyed by the young folks.

Mr. Wash Morgan will return to his work on the tug Portsmouth Wednesday.

Mr. Jack Forrest had a narrow escape Monday night near the beach when his horse got in the ditch turning his buggy over throwing him and his daughter out. Fortunately no one was hurt.

**SUSAN.**

The protracted services at St. Pauls closed on last Monday night Rev. H. J. Taylor, of Bens Circuit, Va. Conference was with the pastor from Monday until Friday, leaving on Saturday morning. His sermons were delivered in a plain, practicable, common sense style, and never failed to hit the mark. Without flattery to him or reflections upon any one else, I consider his illustrations to be the best I ever heard. Judging from his appearance and conversation, he is a man who walks with God, and knows how to reach the heart and conscience of his hearers.

Rainy weather greatly retarded the work. Some eight or ten conversions were the direct results of the services.

**LEUMAS.**

**BLAKES.**

Mr. Thomas Rainer is home for a while. His friends welcome the seafarer.

An impressive sermon on Faith was delivered at Mathews Chapel on Sunday morning by the Rev. Mr. Williams.

The ball game played between the junior clubs of Queenstown and Blakes at Hess on Saturday ended up 4 to 0 in favor of Blakes.

The season of suspense long hovering over her host of admirers was finally lifted on Wednesday evening, June 30th at Mathews Chapel, when Miss Ethel, the beautiful and beloved daughter of Mr. and Mrs. George Mitchell was united in holy matrimony to Mr. Robert H. Davis, both of this place, the bride formerly of Maryland. The marriage ceremony, in proportion to the rivalry for the hand of the bride, was very impressive.

The newly wed couple with their attendants and friends repaired to the home of the bride immediately after the ceremony where a delightful repast was served. They have our best wishes. A Youth.

**HUDGINS - PUGH.**

Miss Ruby Ellen Pugh, daughter of Mr. Wm. M. Pugh, of Horn Harbor and Mr. Willie Hudgins, son of Mr. Sheppard Hudgins, of New Point, were married at the Methodist parsonage here on Sunday evening at 6:30. Rev. L. J. Phaup officiating. The ceremony was a very quiet one and only a few intimate friends of the contracting parties were present.

**GENERAL NEWS.**

The most severe electrical storm of this season passed over Gloucester Tuesday evening, centering at Gloucester Courthouse. The new concrete high school, known as Botetourt High School was struck by lightning and part of a chimney and the roof injured. Several trees were struck and telegraph communication was interrupted.

**TO THE DEMOCRATS OF MATHEWS AND MIDDLESEX.**

At the urgent request of many friends in the counties of Mathews and Middlesex, I beg to announce myself a candidate for the Democratic nomination for the House of Delegates from this Legislative District.

Cherishing the laudable ambition to represent these people in the Legislature of Virginia, I believe that I can be of service to them in the protection and defense of their peculiar interests in that body.

It is my purpose to mingle with the Democratic voters of the District and frankly discuss with them the issues that may arise.

If I am honored with this nomination, it will be my purpose to lead the party to victory; and, if elected, my time and whatever of talent and ability I may possess shall be given unreservedly and wholly to the service of the people.

Very respectfully,  
J. T. CHRISTIAN.
